

Xian Center Teacher Training Live in Xian China Intensive Training and Certification

**24 days
8-31 July 2024**

A ZHINENG QI GONG TEACHER

A real teacher in Zhineng qi gong science
is one that has mastered his heart and his mind

A real teacher is one that would lead you with love, care and wisdom

Back home into the arms of your true self

Where love and joy is your nature

Where your inner wisdom is waiting for you

A real teacher overcomes his ego and his old reference framework

Then he can serve the good of humanity

his family, his fellow friends and Society

XI'AN CENTER

Xian center is a unique Zhineng qi gong healing & research center

The Xi'an Center is a place where 30 teachers live ,
teach , heal and do research together.

The Xi'an Center team of teachers have dedicated their lives

- to the healing of all who are in need
- to the creation of a new culture
- to Zhineng science research

which enables a transformation to a high state of
consciousness and is a crucial bridge to mainstream science .

Xi'an Center invites you to be a part of this team of teachers

It invites you to be a part of the Qi family

Xian center is in close and direct contact with Dr.Pang.
They are guided by him on regular basis

It is the closest you can get to HuaXia center- medicineless hospital

- where there are healing retreats all year long - for many years now,
- Where hundreds and thousands of miracle healings already happened in the qi field
- Where you can meet many teachers who specialize in different fields of zhineng science- Experts in disappearing tumors ,healing fractured bones, producing electricity, purifying water ,improving crops growth ect -by the power of the mind.

ZHINENG SCIENCE & PRACTICE

THE NEXT LEVEL

Zhineng Qigong Science has developed for more than 30 years and has now reached a new stage, After a long period of scientific development and its application in healing, practice and various fields, the three layers of matter theory is now well established creating the possibility to move on to the next level of practice and teaching.

We have been practicing level one two & three , developing our Qigong level and improving our Qigong healing abilities.

What is the next step of our practice and teaching?

- How can we practice at a higher level to enable us to go deeper into life and reach a higher consciousness state ?
- How can we improve our life quality and consciousness power with the three layers of matter theory?
- How can we improve our practice and teaching level?

Based on Professor Pang's new information that was recently released and Xian Center's many years of scientific research information and application; we will hold a one month Zhineng Qigong teacher training in Xian , China - July 2024.
